

Inferno Strobe 16

Light Barrier

Inferno Strobe 16 is designed to produce a blinding effect, an intensive flashlight. The intruder stops already in the door. The burglary results in just an attempted burglary.

Inferno Strobe 16 is with advantage combined with Inferno Sound Barriers for maximum effect, but can be used as a stand-alone security device.

- **Intensive flashlight**
- **Hard to see - hard to take**
- **Work with all alarm systems**
